**Welcome and Apologies.** Brian Wailes (Chair) welcomed everyone to the meeting.

**Approval of Minutes and Matters Arising.** The Minutes of the meeting of September 3<sup>rd</sup> 2020 were proposed for adoption by Brian Wailes and seconded by David McNeil.

**ENCC informal meeting note**

1. The length of minutes was discussed. The full minutes are important as detail is important to the community, especially when the public cannot attend meetings. The full minutes will be on the web site.

2. Date of next meeting has been changed from the 5<sup>th</sup> November to Thursday 12<sup>th</sup> November.

3. Format of Next meeting. Discussion on people to invite (can we open it up), venue - if one can have a face to face meeting, possibility of the golf club. This depends on situation re Covid 19.

4. Finance. The accounts have to be audited by an outside person. The third signature on our bank account will be Alan.

5. Federation. Brian, Robin, and Krissy will be named members.

6. Disappointment was expressed with MLC on issues like cycle lanes and 20mph. East Lothian and the Borders are all trialing the 20 mph. Police are having speed checks on Lasswade

and Dalhousie Roads when possible. Speed checks are also needed on other busy Roads.

7. E R I G. Joy gave an update on the possibility of funding for a project by Crown Estate Scotland (Foundation Scotland), and using Tartan Jigsaw for community consultation. This is a positive action. Including the Esk Valley Trust is very important.

8. Planning. Place planning: is the lack of action by MLC due to Covid or lack of interest? Find out at next Federation meeting.

9. Membership. Robin will use the web site to suggest interested people will be very welcome. Can people from outside the ward be associate members? Brian, as chair, will write a personal letter if someone expresses an interest.

10. AOCB.

Next meeting of ERIG is November 2<sup>nd</sup>, Robin to consult with Joy. Ask on web site if anyone in the community has anything they would like to ask for the next meeting.

An individual should not respond to private emails but response should be a group response.
