Note: the above headings are now standard and spoken to initially by a community councillor who has agreed to monitor those areas of interest. Extra headings and/or detail will be introduced if required for any meeting.

Meetings are open and residents are welcome to attend meetings and/or notify ENCC by email of issues they want to raise. However Edinburgh College, our usual venue, is now not available for non-campus attendees until at least January 24 when they will re-assess the situation. Residents can apply by email for the link and codes to attend our meetings (we are advised by the Council not to disclose these in open forums where anyone can access them).
